

“IKI Velomathon 2020” Vilnius Bicycle Marathon Regulations

1. **“IKI Velomathon”** is an initiative that rests upon four main values: family, health, ecology and traffic safety, based on an initiative aimed at strengthening the culture of bicycles and other human-powered land vehicles in Lithuania.
2. **“IKI Velomathon”** is organised by “National Automobile Club” and Vilnius city municipality (hereafter – Organiser).
3. Official **“IKI Velomathon”** website in English: www.ikivelomathonas.lt/en.
4. **“IKI Velomathon”** is organised according to regulations of International Cycling Union (hereafter – UCI), present regulations (hereafter – Regulations) and Organiser’s decisions.

Competition of CRAMO Sport group is included into the competition calendar of 2020 presented by the Cycling Federation of Lithuania. 100 km track is considered to belong to the First category of competition, 50 km track belongs to the Second category. Rating points are allotted by the Cycling Federation of Lithuania in compliance with the rating of licensed individuals (<http://ldsf.lt/reitingas/>).

5. **“IKI Velomathon”** starts on 23rd of August, 2020 (23.08.2020), Sunday.
6. **Program:**

Name of the heat	Start time	Latest finish (time limit)	Awards time
CRAMO Sport & Semi-Sport Heat	9:00	11:30	11:30
Additional Amateurs Heat: Heat for electric scooters TERRASPORT Heat for rollerblades TERRASPORT Heat for scooters TERRASPORT Heat for skateboards	12:00	12:30	
Children Heat (7 to 12 years old)	13:00	13:30	after the finish
Children Heat (younger than 7 years old)	13:10	13:30	after the finish
ERGO Amateurs Heat	14:00	16:00	16:30

Organizers reserve the right to adjust or change the time of the start, finish, awards ceremony and programme.

7. “IKI Velomathon” participants:

Children group’s participants must be up to 12 years old (i.e., born after 24.08.2008 inclusive). They can use any human-powered land vehicles (bicycle, rollerblades, scooter, skateboard).

ERGO Amateur group’s participants must be born before 23.08.2008 inclusive.

CRAMO Semi-Sport is half marathon distance for male participants, who have to compete in 10 laps (100 km) distance. I.e.: born in year 1971-2003 inclusive.

CRAMO Sport group’s participants must be born before year 2009 inclusive.

TERRASPORT group’s of rollerblades, scooters and skateboards participants must be more than 12 years old (i.e., born before 23.08.2008 inclusive).

Group’s of electric scooters participants must be more than 12 years old (i.e., born before 23.08.2008 inclusive).

Juveniles (younger than 18 years) may start only having signed acceptance from the parents or foster-parents. Sport school students younger than 18 years may start only having signed acceptance from the parents/foster-parents or by submitting coach signed list of students via email address info@ikivelomatonas.lt. The acceptance defines responsibility for juvenile “IKI Velomathon” participant. The standard acceptance form is published in the official “IKI Velomathon” website.

8. “IKI Velomathon” main track is situated in: Gedimino avenue, Šventaragio street, T. Vrublevskio str., Arsenalo str. and T.Kosciuškos str. (including turning around at Antakalnis roundabout and coming back), Karalius Mindaugas bridge, Žvejų str., Upės str., Vytauto str., A.Mickevičiaus str. over Žvėrynas bridge, A.Goštauto str. (including turning around at Baltasis bridge and coming back), Gediminas ave.;

The track of “IKI Velomathon” is located only on the roadway. Track is a closed circle, start and finish line will be situated next to Parliament house of Lithuanian Republic (Gediminas ave. 53). ERGO Amateurs and CRAMO Sport & Semi-Sport Heat runs in counter clockwise direction. Approximate length of the main “IKI Velomathon” track is 10 kilometres.

9. “IKI Velomathon” group’s of electric scooters, TERRASPORT group’s of rollerblades, scooters, and skateboards and Children group’s track is situated in: Goštauto str. including turning a round at Baltasis bridge and coming back.

Start of these groups is situated next to Žvėrynas bridge and finish line is situated next to Parliament house of Lithuanian Republic. The track is located only on the roadway.

10. “IKI Velomathon” distance for children, groups of electric scooters, rollerblades, scooters, and skateboards is 2,4 km, for Amateurs: 10, 20 or 30 km, for CRAMO Semi-Sport group: 50 km and for CRAMO Sport groups: 50 or 100 kilometres in length (see: art. 13).

It is forbidden to shorten the distance or cut the track illegally. The Organiser will appoint people to prevent such actions. If the infringements will be recorded, participants who shortened or cut the track will be disqualified.

11. Vehicles in “IKI Velomathon”:

The choice of bicycle is free. The bicycle must be technically correct (see: art. 22). Non-standard bicycle (tandems, laid-back bicycles, etc.) riders must obtain a written permission from the Organiser.

Usage of “Time-trial” or triathlon steering bars (tri-bars) is prohibited. We strongly recommend using only road racing bicycles for CRAMO Sport & Semi-Sport participants. No bicycle must be dangerous to other participants. “IKI Velomathon” referees make final decision regarding to particular bicycle. It is prohibited to change bicycle during the marathon.

Participants of CRAMO Sport groups must use bicycles that meet UCI regulations only.

Electric scooters, rollerblades, scooters and skateboards must be technically correct (see: art. 22). Non-standard technics (roller skis, etc.) riders must obtain a written permission from the Organiser.

12. Safety measures:

Every participant is personally responsible for his/her safe actions during the marathon.

Helmets are obligatory to all participants!

Helmet must not be cracked, damaged, homemade, unsuitable for cycling or other, which is prohibited by Lithuanian and European Union institutions. “IKI Velomarathon” referees determine final decision regarding to particular helmet.

It is recommended to wear gloves. For less experienced participants it is also recommended to wear special elbow and knee guards for Children Heat, Group of electric scooters, TERRASPORT group of rollerblades, scooters and skateboards.

Usage of music players, mobile phones and other unnecessary for cycling devices that disturb the participant or other participants is prohibited from start to finish.

“IKI Velomarathon” track will be situated on the streets (roadways), which will be closed for any extraneous traffic (except the Organiser’s and emergency vehicles). Participants are prohibited to turn away from the track, drive on the sidewalks and/or bicycle paths.

Driving or walking on the “IKI Velomarathon” track is forbidden. Crossing “IKI Velomarathon” track is allowed only in specially marked places and only when ascertained it will be safe to do so. Persons who ignore regulations are responsible for their own safety.

13. “IKI Velomarathon” participants are divided into these groups:

Children group	Distance:
For children up to 12 years old (i.e., born after 24.08.2008 inclusive). Participants here start in the children track, where parents or foster-parents may follow the group after the start (see: art. 17). Children group is same to both: boys and girls.	2,4 km

* - Participants, who do not ascribe themselves to groups V30-V70 or M30-M70, may start here. Participants from the latter groups, who wish to start in *Elite* group, must inform the Organiser by email info@ikivelomaronas.lt and receive the permission.

14. Rules for registration to “IKI Velomarathon”:

It is possible to register to “IKI Velomarathon” in any of the periods:

Period	Entry fee	Place of the registration
1. Until 10.07.2020 (Friday) (including)	Electric scooters, rollerblades, scooters and skateboards: free of charge Children: free of charge Amateurs: free of charge Semi-Sport: €10* Sport: €10*	Internet registration: www.ikivelomaronas.lt/en
2. From 11.07.2020 (Saturday) until 31.07.2020 (Friday), (including)	Electric scooters, rollerblades, scooters and skateboards: free of charge Children: €3* Amateurs: €5* Semi-Sport: €20* Sport: €20*	
3. From 01.08.2020 (Saturday) until 23.08.2020 (Sunday) (including)	Electric scooters, rollerblades, scooters and skateboards: free of charge Children: €5* Amateurs: €10* Semi-Sport: €30* Sport: €30*	Internet registration until “IKI Velomarathon” day: www.ikivelomaronas.lt/en On “IKI Velomarathon” day Registration tent near Parliament house of Lithuanian Republic, Gedimino ave. 53, Vilnius

Notes:

* - an individual appears on registered participants list only after transferring a starting fee. A link to the transfer is sent to the email, indicated during registration. The day of the transfer is considered as a day of registration.

Registration of people with disabilities is free of charge at any period (must show certificate during the hand-out of start numbers).

Registration of juvenile sportsmen from sports schools is free of charge at any period if they submit a list of pupils, signed by their coach. The list must be sent until 07.08.2020 (Friday) to the Organiser to info@ikivelomaronas.lt before individual registration.

Start fees are not refunded, not rescheduled into another year and not compensated either.

Participant is responsible for the information given during the registration. Registration using false data will result to disqualification. It is forbidden to give your number to another person. It is forbidden to register more than one time for the same heat (see: art. 6).

If the participant want to change his/her registration data for Children and Amateur groups, it may be done free of charge until 31.07.2020 (Friday) including, contacting Organiser by email: info@ikivelomaronas.lt. Registration data change fee based on registration fee is applied after this term.

Changing of the heat is considered as a new registration.

Changing registration data for CRAMO Sport and CRAMO Semi-Sport Heats is considered as a new registration and registration data change fee based on registration fee is applied.

15. Hand-out of start numbers:

Registered participants may collect the start numbers on:

Date	Time	Place
21.08.2020 (Friday) 22.08.2020 (Saturday) For all groups	10:00 – 21:00	Shopping center IKI Minskas Žirmūnų str. 2, Vilnius
On “IKI Velomathon” day: 23.08.2020 (Sunday)		
CRAMO Semi-Sport group	7:30 – 8:45	Registration tent near Parliament house of Lithuanian Republic, Gedimino ave.53, Vilnius
CRAMO Sport groups		
TERRASPORT group of rollerblades, scooters, and skateboards	8:00 – 11:30	
Group of electric scooters		
Children group	8:00 – 12:30	
ERGO Amateurs group	8:00 – 14:00	

The Organizer reserves the right to adjust/change collection times.

Juvenile participants must show signed acceptance of the parents (or foster- parents) during the hand-out of start numbers. This requirement is not applied to the students of sport schools who sent a list of participants signed by the coach for the Organiser until 07.08.2020 (Friday) including by email: info@ikivelomaronas.lt.

16. Publishing of start numbers:

Start numbers for CRAMO Sport groups will be given by Organiser regarding to results from previous two “IKI Velomarathons” as well cyclist rating and possession of UCI license. Start numbers for Amateurs and CRAMO Semi-Sport participants will be given according to registration date (ascending). Start numbers for Amateurs and CRAMO Semi-Sport team members will be given contiguous start numbers according to first registered team member. Organiser has a right to configure the start order.

Participants, registered until 07.08.2020 (Friday) including, start number plates will be printed with personal names.

17. Start procedures:

All participants **must start from the respective start corridor regarding to what start number they have**. Start corridors will be marked at the place of start by special signs. Start corridors for children participants will be given according to their age. Matching of start numbers to respective start corridors will be controlled by Organiser’s officials.

Start signal is given by authorised persons by the Organiser:

- Children, CRAMO Sport & Semi-Sport, TERRASPORT group’s of rollerblades , scooters and skateboards, Group’s of electric scooters participants start from a standing start after the signal.
- ERGO Amateur group’s participants will start after the signal behind the Organizer’s cars and then follow the Organizer’s vehicles during the first lap. The vehicles will go out before the second lap.
It is prohibited to overtake the Organizer’s vehicles.

Parents or foster-parents may follow Children group participants during their heat. It is allowed to follow on foot by walking or running alongside the track. Those who wish to follow on bicycles must stand at the

end of formation before the start.

18. Finish procedures:

Finish signal is given by “IKI Velomathon” judges.

Participants losing a lap or more to the leader finish in the same lap with him, when the leader completes full distance. Participant is considered to be finished, when a chequered finish flag is being showed to him/her, and must stop his/her ride.

Sportsmen/ sportswomen as well as CRAMO Semi-Sport participants, who will have to complete 50 km (5 laps), will be able to exit the track in a separate finish corridor (Gynėjų str. – left turn 150 metres after the finish line).

Time keeping microchips must be returned to the chip collecting officials, right after the finish. Having failed to return or losing the chip inflicts participant will get penalty according regulation art. 20.

On the day of the event temporary traffic restrictions ends at 6 pm. The cyclist himself is responsible for his own safety on the road.

19. Teams:

“IKI Velomathon” participant may represent a team:

- Children, Amateurs and Semi-Sport participants may fill their team names during the registration. Team registration is free of charge; maximum number of team members is unlimited.

Sport team names are filled during individual registration as well as in the team entry form. All team members must be already registered personally, when submitting the team entry form. All members of the same team must be registered to the same distance (100 km). Maximum number of sport team members is limited to 8. Team manager, no longer than 3 days before “IKI Velomathon” must inform the Organiser about the final five team members, who will represent the team in “IKI Velomathon” team classification. Team entry fee is €70. Filled sport team entry forms must be sent to the Organiser by email: info@ikivelomaronas.lt until 14.08.2020 (Friday) including.

Team names must be written equally. The names are not limited, however, they must be ethic and not conflict “IKI Velomathon” values. One participant may represent no more than one team in the same heat. Team members and names may be changed until 14.08.2020 (Friday) including.

20. Time keeping (only for CRAMO Sport and CRAMO Semi-Sport participants):

Time keeping will be based on electronic system (hereafter – System). Participant is responsible for given time keeping chip from hand-out until returning. All participants must return chips to the Organiser’s official. Having failed to return or losing the chip inflicts 100 EUR penalty. Should you lose or find a chip – immediately inform the Organiser.

For result to be recorded it is required:

To attach start numbers on your clothing (back and left side) and to mount time keeping chip **according to given instructions** from start to finish. Finish procedures must be accomplished according “IKI Velomathon” regulation art. 18.

21. Results and awards of “IKI Velomathon”:

21.1. Children:

Results are not calculated for the children participants.

21.2. Amateurs:

Results are not calculated for the Amateur participants, but they may be awarded with special prizes

established by the Organiser.

Results of Amateur teams:

Three winner Amateur teams are awarded. Winners are clarified by the quantity of team members (winner team has most members). If Amateur teams record the same result – sum of every single member age determines the final result. The older team has the priority.

21.3. CRAMO Semi-Sport:

10 fastest Semi-Sport participants are awarded.

21.4. CRAMO Sport:

Sportsmen/sportswomen:

The undermentioned are awarded:

- I-III men in general classification;
- I-III women in general classification;
- I-III competitors in each group;
- I-III teams in 100 km distance*.

* - if there are not 5 teams, only the 1st place team is awarded.

Results of sport teams:

The result of the sport team is determined by results of three fastest team members who completed whole distance.

If there are less than three team members, who completed the full distance, 20-second penalty time is added to average lap time for every uncompleted lap of particular participant, when summing team results. This is applied for three fastest team members.

If team results are equal – fastest member time of each team determines final result.

Results of CRAMO Sport and Semi-Sport groups' participants are clarified using timing System and by finish referees.

Organiser may establish more awards than stated in the Regulations.

- Unofficial results for CRAMO Sports and CRAMO Semi-Sport groups will be published on the day of “IKI Velomarathon”:
 - In official message board (next to start/finish arch);
 - In official “IKI Velomarathon” website.
- Official results for CRAMO Sports and CRAMO Semi-Sport groups will be published in official “IKI Velomarathon” website on 28.08.2020 (Friday), 12:00. Organiser has a right to postpone this term if there are objective reasons.

22. Assurance of safe and fair participation:

Any usage of extraneous aid during the heat, except technical aid (see: art. 23 “Technical aid”) will result in participant's disqualification.

All “IKI Velomarathon” participants must:

- Comply with the Regulations and other Organizer's decisions;
- Comply with the legal requests by the Organizer's authorized personnel;
- Start only with a serviceable bicycle, or other vehicle.
- Have properly put on helmet from start to finish;
- To ride safely in respect of himself/herself and other participants and assume the responsibility concerned about the incidents during the event (including but not confining to falls, injuries, collisions with spectators, animals, standing or moving vehicles, other road mountings and objects on the track) and possible health disorders directly or indirectly concerned in participating in

“IKI Velomarathon”;

- To retire from “IKI Velomarathon” if the bicycle breaks down causing the riding to become unsafe and it is impossible to repair the failure (the failures are at least one of the following: disappearance of the brakes, disengaging of such main parts as: wheels, steering bar, etc., braking/cracking of frame and other main parts, etc.);
- If a participant feels bad or a bicycle broke down, or other means of transport a participant must quit the track. At the time of withdrawal, a participant must slow down, look around, evaluate the situation and retreat to the road side, and try not interfere other participants.
- To act fair in respect of the participants, spectators, referees, track personnel and Organizers of “IKI Velomarathon”;
- Not to disturb faster and/or passing by a lap and always move closer to the right side of the road;
- Not to carry sharp and other dangerous materials;
- Not to consume alcohol, narcotics and/or materials prohibited by World anti-doping agency neither before nor during “IKI Velomarathon”.

23. Technical aid:

“IKI Velomarathon” participants may get technical aid if necessary repairs or replacement of individual parts. It is prohibited to change the whole bicycle.

Technical aid may be done outside the track by team personnel without disturbing other “IKI Velomarathon” participants.

It is prohibited for the team personnel to move alongside the track during the heat. If it is impossible to repair the bicycle during technical aid, participant must retire from “IKI Velomarathon”.

24. Assurance of medical aid:

Ambulance crews will stand near the “IKI Velomarathon” track.

If you see a participant which requires medical aid or you will need such aid – immediately call emergency number 112.

25. Lost and found items:

Please inform the Organiser regarding to the lost and found items. A lost and found point will be situated in the registration tent right after the finish. Later you may contact the Organiser by email: info@ikivelomaronas.lt.

26. Protests:

Participant may give a protest due to infringement of the Regulations or marathon results.

Protests are acceptable until 28.08.2020 (Friday), 12:00. Protests must be signed and delivered to the Judges tent (on the day of event) or by email: info@ikivelomaronas.lt. Protests may be given with the €70 fee, which is fully refunded if protest is sufficed. Protests are analysed by Organiser’s committee and senior referee.

27. Refreshment station:

On the track of “IKI Velomarathon”, ERGO Amateurs, CRAMO Sport and CRAMO Semi-Sport Heats will be equipped with a water refreshment point. Participants are strictly forbidden to stop in the track while riding at the refreshment point. Water should be taken in the track while moving/ cycling.

ERGO Amateurs will be invited to stop at the refreshment point which will be marked with distinctive signs where everybody is allowed to stop.

28. Other questions:

By registering in “IKI Velomarathon”, every participant confirms that he or she agrees with the requirements stated in Regulations.

Every “IKI Velomarathon” participant agrees that the Organiser may use photo or video material with him/ her for event promotion without separate agreement. Unmentioned questions in the Regulations are solved

by the “IKI Velomarathon” Organiser.

The participant understands and confirms that the organizers cannot and will not reimburse the participant’s health, life or vehicle of the damage. The total risk and responsibility for the participant’s health problems, injuries, vehicle damages and accidents resulting from the participation in the event, has only participant.

Information related to Organizer's privacy policy is published on the Official “IKI Velomarathon” website: <https://www.ikivelomaronas.lt/en/privacy-policy>.

The regulations are published in Lithuanian and English. In case of difference, the Lithuanian version is considered to be decisive.
